Alleghany County Rescue Squad

Alleghany County Rescue Squad is the premier rescue services provider serving Alleghany County, NC for almost 50 years established in 1969. As a North Carolina recognized heavy rescue, agricultural rescue, high angle rescue, advanced life support medical responder, and ALS and BLS ambulance provider agency, we are ready to respond to any call. From a person needing an ambulance for a medical call,

to an automobile accident with victims trapped, to a lost hiker off of the Blue Ridge Parkway, to a drowning victim on New River, to a rock climber in trouble in Stone Mountain State Park, we are ready to help.

“The mission of the Alleghany Rescue Squad is to provide competent and caring aid to the victims of emergencies in our community, through prevention, public education, and emergency services. The mission of the Squad includes cooperating with other services and aggressively seeking ways to better protect and treat the public we serve.”

We are fully volunteer, and non-profit. We are made up of a group of dedicated individuals that have taken time from their regular lives and jobs to be professional and effective highly-trained rescuers to serve the needs of our community, all at no cost to those whom we provide services. We are on-call for response 24 hours a day, 7 days a week, 365 days a year. Are you ready to join us and help make a difference?

We welcome all interested applicants for full active membership whom are over the age of 18 and are residents of Alleghany County. We also welcome junior member applicants ages 14 to 18 whom are residents of Alleghany County.

The Alleghany County Rescue Squad usually meets on the **second and fourth Mondays of every month**, usually from 6 pm to 9 pm, at our squad base located at 61 Trojan Avenue, Sparta, Alleghany County, NC.

The following outlines the steps involved in the application process:

- Complete our Membership Application (Juniors have a different application)
- Submit a criminal background check available from the Clerk of Court with your application (fees will be reimbursed upon vote of acceptance)
- Appear before the Membership Committee
- Upon approval for membership by the Membership Committee, the applicant **MUST** attend three CONSECUTIVE meetings (i.e. business meeting - training - business or training - business - training)
- Following the three meetings, each applicant will be presented to the entire membership for a vote of acceptance
- A 3-month probationary period will be observed during which a rookie program must be completed. Upon completion of the 3-month period, a re-vote of acceptance will be conducted
- When you become a member of Alleghany County Rescue Squad you **MUST** contribute 36 training hours to the organization per year (10 of these hours may be medical training if you hold an emergency medical certification such as EMT or Paramedic; remainder of the hours must be rescue related)

Completed applications may be e-mailed to: Alleghanycountyrescue@gmail.com

Or mail completed applications to: Alleghany County Rescue Squad, P.O. Box 351, Sparta, NC 28675

Whether you help through monetary donations, supporting our members, volunteering your own time as a member, or spreading our mission through word-of-mouth, we thank you. We couldn't accomplish our goals without the help of supporters like you.
