Welcome to Watauga Humane Society

As the morning sun touches the tops of the Blue Ridge Mountains of the High Country, the homeless pets at the Watauga Humane Society begin to stir. They wait. Sun streams into the spaces around their cages and kennels. The sounds of their caretakers drift down the halls. Sounds which mean food, clean bedding, and caring hands; the animals wait. Later after the morning's activities, the Adoption Center will open to potential adoptees for the Shelter pets. The animals wait to bring companionship and affection, to play and be "the one," to know they are loved and wanted. At Watauga Humane Society our mission is to compassionately care for surrendered or lost animals, nursing them, reassuring them and connecting them with you, and their perfect, forever home. Please come and visit us, we can't wait!

As you drive up to the Watauga Humane Society at 312 Paws Way, you pass the Bare Bones Boutique on your left. This is our thrift store where volunteers take donations and then resell these treasures for the benefit of our animals. Turn right and continue up the drive where you can see our extensive Dog Park with three separate areas for public dogs to enjoy. The purchase of Dog Park passes helps maintain this community resource. Locals love it, and day passes are available for High Country visitors, too.

volunteer-made crafts for purchase. All proceeds are used to directly fund our spay/neuter initiatives. Continue into the Lobby to view two walls of Cat Condos where you will see more adoptable cats and kittens.

A left turn takes you to our main Kennel floor. Here you will hear the greeting barks of adorable adoptable dogs of all shapes and sizes. The dogs have access to outside runs and each pup is given play time outside their home kennel. To the right of the main kennel, you will find a separate area specifically for puppies and small dogs. Volunteers can enjoy walking the Shelter

dogs on the private, wooded trails behind the Adoption Center.

Back in the main Lobby, you will find the bustling Front desk where staff members take calls from community members, answer questions, talk to foster parents, and give adoption information. Behind the desk, you can view the names of the Shelter pets who have found their forever homes. We have two Meet and Greet rooms where your family members can meet their new potential playmates.

Take a stroll towards the Turchin Room, to the right you will see our volunteer supply closet and Pet Food pantry. The Pet Food pantry provides food

for community animals whose owners are experiencing financial hardships.

A separate Intake area is accessible by an outside entrance. We receive animals from Watauga County Animal Control as well as homeless pets brought in by community members. We are an open admission shelter. We do not turn away animals due to age or physical condition. As a combined result of our low-cost spay/neuter program, successful public education programs, medical funds and collaborations with local vets, and most importantly, adoption programs, we have been able to maintain our status as a no-kill Shelter since 2018. We never euthanize adoptable animals!

Behind the scenes, the non-public rooms hum with activity as trained personnel assess each new animal's medical condition and determine the best course of treatment. All homeless pets spend time in the isolation space before entering the Adoption area to decompress and ensure they are healthy and ready for their next adventure. Medical care takes place with an experienced staff administering vaccinations, wormers, flea protection, and microchips with compassion and care. When more in-depth care is required, we partner with local veterinarians and the ASPCA

Spay/Neuter Clinic. All adoptable pets are given comprehensive care and a preadoption exam.

Back in the Lobby, you can meet our Volunteer Coordinator. The volunteer program offers a wide variety of opportunities to further our mission. Whether you are interested in caring for the animals or would enjoy educating the public through outreach, there is a place for your skills and interests at Watauga Humane Society. Our SNIPS (Spay Neuter Is a Positive Solution) program welcomes all crafters. Team Education reaches out to our younger animal lovers through school visits. Bare Bones Boutique is the place to get to know our community and get your thrifting fix, while the trails and Dog Park let you get your hands dirty. Please visit <https://wataugahumane.org/volunteer> to learn more.

The Watauga Humane Society promotes animal welfare by providing services that improve the lives of companion animals and the people who love them. Our mission helps fuel our vision - the vision of a community without homeless pets, and without euthanasia of healthy and adoptable animals.

Your new best friend could be waiting for you at the Watauga Humane Society. You can view all our current Shelter pets waiting for their forever homes at

<https://wataugahumane.org>.

Watauga Humane Society is located at

312 Paws Way, Boone, NC.
