# Welcome to Watauga Humane Society

Our mission: to promote animal welfare by providing services that improve the lives of companion animals and the people who love them.

The morning is dark and cold this time of year. Autumn is here, and winter is riding her coat tails bringing brisk wind that howls and chills to the bone. Yet staff are arriving, bundled up in layers, to prepare for another spay/neuter clinic.

The doors open early for the occasion. Pet parents walk in holding their companions close, whispering words of comfort as they check in. The time is 7:00 am. Within the next hour cats and dogs will be on their way to prepare for surgery, and staff will have moved along to start their caregiving duties. It has been said that something as small as the flutter of a butterfly's wing can ultimately cause a typhoon halfway around the world. This one morning, this one hour, will save hundreds and thousands of homeless lives. But of course, this process started well before now...

It was the mid-1990s when Watauga Humane Society's then President, Eleanor "Dee" Dundon, read an article of a new quality and affordable high volume spay/neuter clinic located in Asheville, NC – The Humane Alliance of Western North Carolina. It was also at this time that Dee was facing the unthinkable reality that we would soon have to close our doors due to a lack of local resources for low-cost spay/neuter services. This all changed with the discovery of the Humane Alliance. Dee and other Board Members traveled to Asheville to meet the veterinarians and staff of Humane Alliance, tour the facility, and gauge its merits. The hospital met - or surpassed - all standards of care, and the WHS delegation returned to Boone with the assurance that our shelter doors would remain open. For

*The ASPCA Spay/Neuter Alliance (previously known as The Humane Alliance of WNC) transportation truck.*

*Eleanor "Dee" Dundon*

over 25 years, thousands of animals from Watauga Humane Society and the greater Boone community have been transported to Asheville for their surgeries at a fraction of the cost seen at private veterinary practices. This opened the doors to community members who otherwise would not have been able to afford to spay/neuter services for their companions and ignited a passion in others to help support that cause.

## **SNIPS (Spay Neuter is a Positive Solution)**

For more than a decade, SNIPS (Spay Neuter Is a Positive Solution) of Watauga Humane Society has promoted spay/neuter education to reduce animal suffering in the High Country. Every craft sale, restaurant dining day, and plant sale has been curated with one goal in mind: to raise funds to support low-cost spay/neuter services for the community. This dedicated all volunteer committee has supplemented financial assistance to over 5000 animals since 2011.

One pet at a time, one surgery at time, the flutter becomes a typhoon. Thousands of unwanted pets are prevented because of this one act.

*In seven years, one unspayed female cat and her offspring can produce 420,000 cats.*

The benefits of an active pet spay/neuter program to our community reach far beyond one homeless pet. Preventing homeless pet overpopulation prevents the spread of rabies, leptospirosis, Lyme disease, and tuberculosis to both humans and pets. It prevents the spread of ringworm, toxoplasmosis, canine distemper, parvovirus, and feline AIDS.

It prevents habitat destruction and the loss of native wild

animal species due to competition for food and shelter. WHS's spay/neuter program lowers the actual costs of animal control (time, equipment, labor) and the burden of illness (cost of health care) on our community because of illness or injury caused by homeless pets. By 2017, the Watauga Humane Society became the only no-kill open admission shelter in the High Country because of our dedication to offering spay/neuter for all pets.

Our mission helps fuel our vision - the vision of a community without homeless pets, and without euthanasia of healthy and adoptable animals. In addition to SNIPS, our life-saving programs encompass the spread of humane animal care education, pet food support, extensive medical care to ill and injured animals, owner surrender diversion, community cat support, reuniting lost pets, and adopting forever companions.

Visit <https://wataugahumane.org/> to learn more about Watauga Humane Society and how you can help!

**Watauga Humane Society is located at 312 Paws Way, Boone, NC.**
