Yellow Mountain Enterprises

Yellow Mountain Enterprises was established in 1976 and works with clients in Avery County who have an intellectual and developmental disability diagnosis, according to director Dale Trivette. YME is also sometimes known as Avery Association for Exceptional Citizens, and is a 501(C)(3) nonprofit organization.

AAEC's main goal is to provide vocational, educational, residential and support services, as well as social opportunities, to adults with intellectual and developmental disabilities in Avery County, according to the organization's website.

Yellow Mountain's main program is a day program which provides the clients with vocational training and jobs. The main building is located at 255 Estatoa Road in Newland. Currently, Yellow Mountain has 26 regular clients who work at Yellow Mountain Treasure Box, where they can do a variety of jobs, from sorting clothes to running the register, depending on what they're able to do and what they're comfortable with, Trivette said. Yellow Mountain Treasure Box is located at 442 West Mitchell St. in Newland. YME also operates the Trophy Shop, which offers trophy and award engraving and construction, as well as screen printing.

Along with the adult vocational day program, Yellow Mountain also provides residential services through the Avery County Group Home, which houses six clients at a time. The clients, as well as a full-time staff member, live there full time. The group home gives clients a chance to have their own space to decorate and live in while learning important life skills from working at the day program and cooking, cleaning and maintaining a living space.

YME also has a core focus on education, providing lessons in basic school subjects, social skills, computer skills, life skills and more.

In the clients' free time, they watch movies, play games, work on art projects and more. With the help of Avery County Transportation, the clients are able to make trips to places like the bank or grocery store. Additionally, clients living in the group home have the opportunity to go on outings, such as bowling, going out to eat, going to the movies, going to church or whatever else they may be interested in.
